Circus Session

„JK, Waving in the Dark - Kepler, Inter-viewed“
Astronomer Johannes Kepler, the University of Linz' namesake, lived in tumultuous times marred by religious conflicts, resulting in the devastating Thirty Years' War. Seeking to bring about peace, the Emperor's court mathematician immersed himself into his theories and wrote The Harmony of the World.

[Learn more](#)

[Circus of Knowledge](#)

Sport Session

Join Martin Weiss (head of the University Sports Institute) on a tour of Kepler Hall to learn more about organized sports activities and programs at the JKU, including some opportunities to try out some activities.

[Kepler Hall](#)

Well-Being Session

Join Verena Enzenhofer, the JKU representative of the WP2 Expert Group Inclusive Community, for an insightful session on how JKU supports well-being on campus.

Discover the occupational health services available to students and employees. Engage in a mix of active and passive exercises designed to benefit your mind, body, and soul. Learn about the various initiatives and resources JKU offers to foster a healthy, inclusive community.
